

A hand up to help Aussie kids in need

Fundraising Support

Happily, we can:

Provide advice as you plan your fundraising activity.

Do our best to arrange for a Smith Family representative to attend your fundraiser if sufficient notice is given.

Refer you to your local State or Territory authority to help you clarify the relevant legislation for your fundraising activity (particularly raffles and competitions).

Strongly recommend you organise public liability insurance.

Provide tax deductible receipts for donations of \$2 or more.

Supply official Smith Family promotional material for your fundraiser including customisable poster and invitation templates.

Supply approved wording for communicating with your audience about our work e.g. in newsletters, your webpage.

Supply a media release template to help you promote your fundraiser.

Allow you to use our name in the promotion of your fundraiser to indicate where the funds raised will be donated.
e.g. • Proudly supporting The Smith Family ✓
• All funds raised will be donated to The Smith Family ✓

Unfortunately, we cannot:

Undertake tasks for you to assist in the running of the fundraiser e.g. sourcing prizes, organising publicity, providing staff resources, goods or services.

Guarantee a Smith Family representative can attend every fundraiser.

Advise you on the relevant legislation of your local State or Territory authority or help you obtain permits or gaming licences.

Provide public liability insurance cover for community fundraising activities as there is no way for us to assess and manage the risks of all these activities.

Provide tax advice - please contact the Australian Taxation Office.

Permit you to use our logo on any communications or materials for your fundraiser.

Allow you to produce any unofficial merchandise bearing the name or logo of The Smith Family.

Promote the event on your behalf.

Allow you to use 'The Smith Family' as a part of your fundraiser name as it is not one of our official events.
e.g. • The Smith Family's Sausage Sizzle ✗
